

November 4th, 2020

Dear Parents/Guardians,

As a 6th grade team, we have decided to open up a tutoring session to the students every Tuesday. We feel that the students would greatly benefit from some extra help. This will be available to the students from 2:30 until 3:25. Students should be picked up no later than 3:30pm. Parents/Guardians are responsible for providing transportation and to have it arranged before tutoring. All three of the 6th grade teachers will be available at this time for the students to get help in the subjects that they are having trouble with.

Each week the students will need to complete a tutoring permission slip that will allow them to stay after school. It needs to be turned in by Tuesday morning of the day that your child is staying. Your child needs to take the initiative to get the paper from Mrs. Bute's or Mrs. Blankenship's room and bring it home to get filled out. We will remind the students but this is on a voluntary basis.

If your student happens to be missing an assignment from the previous week, (Tuesday thru Tuesday) they will be able to complete that assignment during a tutoring session and still get full credit for it only if they attend the tutoring session.

Students need to turn slips into the folder in Mrs. Bute's room. We hope that your student will take advantage of this opportunity that we are giving them.

In order to ensure that all parents/guardians have received this information, please sign the bottom portion and have your student return it to his or her homeroom teacher. The first permission slip to attend tutoring is next Tuesday, November 10th is attached. This will be the only slip given to students. It will be their responsibility after next week to get slips for the following tutoring sessions. We hope you will encourage your student to attend these sessions and are looking forward to providing them with extra support.

Sincerely,

SC Sixth Grade Team
